Re: Patent Application Serial No. 10/722,816  
For: Acceptance of Examiner's Amendment  
and forwarding of Final Fee.  
Date:: October 21, 2005

Applicant's attorney hereby on behalf of applicant M. Hecht accepts the Examiner Leslie Evanisko's proposed Examiner's amendment which involves, among other things, making corrections to the specification and adding new claims 37 to 60.

Also, there is enclosed a check for \$100 for the new increased claim total not covered by the previous fees paid to the Patent Office. It is believed that the application is in condition for allowance and the grant of a patent, which is hereby requested.

Respectfully submitted:

Russell E. Hattis., Attorney for Applicant M. Hecht
